

Alberta Aviation Museum Library
Frequently Asked Questions

Is there anything at the Library for kids to use?

Although a few library items are children's books, this library is primarily a research library. If you see a children's item in our catalogue that you would like more information on, please give us a call!

What if you don't have the book I am looking for?

The AAM Research and Reference Library offers a number of items that are unique to the collection, or hard to find elsewhere. If we don't have the book you're looking for though, let us know, and we will try and help you track down another institution that does offer it!

I found an error in the catalogue, and I want to let you know. No problem! Just send us an email or give us a quick phone call, and we will fix it as soon as possible!

Can I have books delivered to me or to another library?

Unfortunately, the AAM Library is unable to offer delivery to other libraries. You are welcome to come in person to the museum to look at books, and in fact, books may only be removed from the library with a museum membership. You can also give us a call or email us if you would like to have some more information on a specific item.

Can I request electronic copies of a document or book?

Unfortunately we are not equipped to make electronic copies of documents at this time.

How can I donate materials to the library?

If you are interested in making a donation to the library, please get in touch with us, and we will go through the process with you.
